

WELCOME WHEELS

Bikes for refugees and asylum seekers in Norwich

"Cycling gives me more motivation and helps me to get around. Having a bike has made my life easier, if I have to be somewhere, I can bike there"

"I would love to ride a bike but I can't."

"I cycle to football training but I don't have the tools to fix my bike."

"Makes me feel happy because otherwise I sit at home. It gives me an independent feeling."

Help us to get WELCOME WHEELS moving forward!

We want to provide every asylum seeker and newly arrived refugee in Norwich with a fixed-up bike, lock, lights and a helmet, and cycle training.

A bike gives access to

- healthcare appointments
- English classes
- food bank
- social activities
- exercise and escape from anxiety and depression
- training & volunteering
